Good day to all participants, teachers and parents:

After much deliberation, it is with enormous regret that we announce the cancellation of the 2021 Porcupine Music Festival de Musique. Due to the ongoing pandemic and with no clear vision of what the future holds, the Board has weighed the logistics, and we have concluded that a physical, in-person festival is not feasible at this time. That being said, we are exploring other possible options and will be making this announcement in the coming weeks.

In the interim, in order to spread this message, we ask that you share this information openly with participants, their families and their respective networks. We will be posting on our social media networks as well.

All the best,

A handwritten signature in black ink that reads "ME Pauli".
